

# FFI

YOUR LOGISTIC PARTNER

## | About the Company:

FFI was founded in February 2000 and registered at Hamburg under No. HRB 76067. The company carries out a multitude of multimodal shipments every month, often to the world's toughest destinations always with the same professional excellence and integrity. Since its formation FFI has established a network of sub agents covering over 100 ports worldwide and serves abroad client base involved in all areas of economic activity.

## | Portfolio of Services:

The range of services offered by Interfreight has grown so as to facilitate the concept of a "one-stop-shop" provider; each and every of these services are offered in-house:

- › International Freight Forwarding (Sea, Air, Road)
- › Packing and International Removals
- › Local Transport
- › Warehousing Services
- › Insurance Services
- › Temperature controlled distribution
- › 3rd Party Logistics Services (3PL)
- › Customs Clearance
- › Project Shipping

## | Competitive Advantage:

Keeping ahead of the competition and thereby differentiating from the pack FFI focuses on a 5 point plan:

- › FFI is bursting with new ideas constantly adding to its list of activities.
- › Independent and impartial, FFI maintains healthy business relationships with all local authorities, partners, agents and carriers.
- › On a constant look-out for advancement and development, FFI is always at the cutting edge of technology.
- › A comprehensive portfolio of services makes FFI a one-stop-shop for all logistics requirements.
- › Networked through trusted agents and partners in all four corners of the globe, FFI serves most destinations with the same commitment and outstanding customer service.

## | Mission Statement:

Our aim is to offer a one-stop-shop for all the trading public. Whether it is imports or exports, locally or worldwide we will offer an unsurpassed level of service at the most competitive rates.

### Freight Forwarding

FFI offers a complete range of sea air or road freight service for all types of cargo whether consolidated, full container loads or even project shipping.

### Project Shipping

FFI specializes in the movement of oversized heavy lift shipments with a long experience shipping machinery and equipment worldwide.

### Value Added

Providing constant feedback on the status of shipments, issuing insurance cover, picking and packing, customs clearance, consulting on transport route and planning inventory control are all part of the package.
